EXECUTIVE SUMMARY

This report exposes more than 40 Facebook pages operated by school teachers, principals, and other employees of the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA), which incite to terrorism or antisemitism. The report is divided by region, and includes UNRWA staffers in Lebanon, Jordan, Gaza and Syria. These cases are additional to the 30 cases of incitement revealed at the end of 2015 by UN Watch.

The examples of incitement in this report include UNRWA teachers and staffers celebrating the terrorist kidnapping of Israeli teenagers, cheering rockets being fired at Israeli civilian centers, endorsing various forms of violence, erasing Israel from the map, praising Hitler and posting his photo, and posting overtly antisemitic videos, caricatures, and statements.

Incitement as Symptom of Core Problem

It is essential to understand that the hatred on display within UNRWA is a symptom of a deeper, underlying problem: the very existence of the organization, its structure and operations, and core political mission. As noted by Dr. Einat Wilf, the world’s leading expert on UNRWA, the agency functions as a political Palestinian organization committed to the political program of “return,” which means sending five million descendants of 1948 Palestinian refugees into Israel, effectively ending the Jewish state as we know it. Rather than nurturing the possibility of peace, Dr. Wilf has shown, UNRWA is currently the greatest obstacle to peace, as it institutionalizes, perpetuates, and inflates the Palestinian refugee issue and the dream of Palestinian “return” to what is the State of Israel.

U.S., UK, EU and Other Top Donors Must Act

UNRWA’s major donors include the U.S., which gave $380 million in 2015, the EU ($136 million), and the UK ($100 million). These and other donor states, including Canada which recently announced a new $25 million grant, bear a responsibility to ensure that UNRWA lives up to its obligations as a UN humanitarian organization.

Regrettably, when we exposed 30 similar cases of online incitement last year, the response of UNRWA spokesman Chris Gunness was to lash out at UN Watch, and to deny or downplay the problem. Only after months of sustained media attention did the UN spokesman in New York announce quietly that a few employees had been suspended. The identities of the perpetrators, or the duration of their suspensions, were never disclosed. UNRWA itself has never issued any statement on the matter, neither on its website or elsewhere.
That so many UNRWA employees continue to publicly display Facebook posts which celebrate radical Islamic terrorism and incite antisemitism demonstrates that UNRWA—despite its claims to have established disciplinary systems—is failing to take the issue seriously, and that its employees know that.

Likewise, the senior UNRWA echelon’s daily political advocacy targeting Israel—an anomalous practice and breach of neutrality among humanitarian agencies worldwide—creates an overall atmosphere in the organization where teachers clearly feel comfortable erasing the Jewish state from the map.

**Legal Violations**

The incitement by UNRWA employees constitutes a violation of their legal obligations:

1. **Breach of Neutrality Duty**

UNRWA’s 2017 funding agreement with the U.S. State Department obliges it to act in accordance with “UN humanitarian principles of neutrality and impartiality.” Under general UN principles, UN humanitarian actors have a duty not to take sides in hostilities or engage in controversies of a political, racial, religious or ideological nature.

The incendiary Facebook posts by UNRWA personnel supporting, glorifying and legitimizing murderous anti-Israel terrorism is a gross violation of this duty of neutrality. These UN employees are openly taking sides in the Israeli-Palestinian conflict and engaging in political, racial, religious or ideological controversies.

2. **Breach of UNRWA’s Undertaking to Reject Racism**

UNRWA’s agreement with the U.S. obliges it to reject “racism in all forms.” Yet UNRWA teachers and principals are in gross violation of this obligation by posting classically antisemitic posts on Facebook.

3. **Failure to Implement “Social Media Training”**

Under its agreement with the U.S., and in pledges made to Canada that were announced in November, UNRWA must implement e-training on UNRWA’s policy on social media use by UNRWA personnel. UNRWA is in glaring breach of this provision. Based on today’s UN Watch report, it is clear that if UNRWA has taken any actions in this regard, they have been an utter failure.

Furthermore, UNRWA’s e-training obligation is supposed to be implemented in connection with its broader obligation to comply with Section 301(c) of the U.S. Foreign Assistance Act of 1961 (see, Section III, p. 2), pursuant to which UNRWA must ensure
the United States that its contributions are not going to assist persons who are involved in terrorism. The fact that UNRWA personnel are actively inciting, glorifying and honoring terrorists on their Facebook profiles calls into question whether UNRWA is in fact in compliance with FAA Section 301(c).

4. Failure to Discipline Teachers Who Incite Terrorism and Antisemitism

Under its agreement with the U.S., UNRWA must take “clear and consistent . . . disciplinary action” against its personnel who violate UNRWA’s regulatory framework. (See, Section III, p. 3).

In response to UN Watch’s reports from last year, UNRWA claimed that it took disciplinary action against some of its personnel in the form of suspensions and loss of pay. However, UNRWA did not identify the employees subjected to disciplinary proceedings or state the length of the suspensions. In any event, whatever disciplinary action UNRWA took plainly was not effective—today’s UN Watch report shows that the conduct is continuing unabated throughout UNRWA’s facilities across the Middle East.

The U.S., the EU, the UK and Canada must demand that UNRWA employ a zero tolerance policy for this type of incendiary Facebook activity by its employees, just like that applied to teachers in the U.S. and the UK. In November 2016, the Oberlin College Board of Trustees dismissed an assistant professor for anti-Semitic Facebook posts. Similarly, in October 2015, the UK government banned a teacher from the classroom for life over an anti-Semitic Facebook post. Palestinian students deserve the same rights that UNRWA’s donors grant their own.

5. Violation of Internal UN Policies on Impartiality

In addition to these flagrant breaches of the 2017 funding agreement, UNRWA is also in violation of UN and UNRWA internal policies concerning staff neutrality and impartiality.

Article 101(3) of the UN Charter states that the “paramount consideration” in employing staff is “securing the highest standards of efficiency, competence and integrity.” The quality of “integrity” is central to the UN Staff Rules and Staff Regulations, which require staff members to “uphold the highest standards of . . . integrity.” This includes, but is not limited to, “probity, impartiality, fairness, honesty and truthfulness in all matters affecting their work and status.” See Regulation 1.2(b). This value is again reflected in Rule 1.2(f) requiring staff to remain neutral and impartial, especially with respect to public pronouncements.

Moreover, UNRWA’s own International Staff Regulations expressly incorporate this UN “neutrality rule” for its staff, stating in Regulation 1.4 that staff must “avoid any action and in particular any kind of public pronouncement which may adversely reflect on their status or integrity, independence or impartiality which are required by that status.”
The UNRWA staff Facebook posts exposed by UN Watch today and last year reflect a brazen flouting of these UN and UNRWA regulations.

**Recommendations and Call to Action**

In light of the foregoing, UN Watch urges all donor states—and in particular the U.S., the EU, the UK and Canada—to:

(a) Demand that UNRWA be in full compliance with its obligations, including each of the provisions outlined above, prior to donor states releasing any further funds to UNRWA;

(b) Demand that UN Secretary-General António Guterres and UNRWA Commissioner-General Pierre Krähenbühl immediately condemn their employees’ incitement to terrorism and antisemitism; and

(c) Demand that UNRWA adopt a zero tolerance policy for employees who incite racism or murder by immediately terminating them, and prominently post on its website these and other actions it is taking to root out this insidious conduct by UN staff.

Ghanem Naim Ghoneim, who identifies himself on his Facebook profile as a teacher at UNRWA, has two photos posted in his public Facebook page of Adolph Hitler, whom he calls “our beloved,” and “Hitler the great.”

The UNRWA teacher notes that Hitler was close with Palestinian Arab leader Amin al-Husseini, and then adds, “God bless Hitler.”

Commenting on one of his Hitler photos, two of Mr. Ghoneim’s apparent UNRWA students praise the post, with one saying “God bless you, teacher!” and the other saying “Nice one, teacher.”

The UNRWA teacher also celebrates Hamas rocket fire on Tel Aviv, to hit “the Jews.”

The pro-Hamas post grossly violates UNRWA employees’ duty of neutrality, and the antisemitic posts violate their duty to reject racism in all its forms.

Hitler our beloved

The World Cup, Algeria or Germany. Algeria are our brothers. But Germany are the grandchildren of Hitler our beloved.
But sir, how is Hitler “our beloved”?

I did not like “our beloved”

When I talk about “our beloved” I am referring to my personal opinion

Professor, the Germans do anything to make the world forget about Hitler and Nazism... If a German hears you, he will have a heart attack

Germany above everything

God bless you, teacher
L1.1 Commentary:

Nimer Abed Al Halim, who in the above post commented “God bless you, teacher” in response to Ghanem Naim Ghoneim calling Hitler his “beloved,” lists himself as a student of the UNRWA’s Amqa School, which is located in UNRWA’s Nahr el-Bared camp in northern Lebanon.

Mohammad Awad, who similarly commented “nice one teacher” in response to Ghanem Naim Ghoneim calling Hitler his beloved, lists himself as a student of UNRWA’s Siblin Training Center.
Post L1.2:

Hitler... the great
Bless his soul, the great Coach Essam, you are absolutely right. Hitler was more honorable than most Arab leaders. It is enough that Hitler was a personal friend of Amin al-Husseini (Mufti of Jerusalem).

God bless your opinion. God bless Hitler.

The best in the world.

Greetings Abu Samer.

Dear Professor Ghanem, Hitler is more honorable than leaders of the Arabs today. It’s enough his love and belonging to his nation.

Bless your opinion, Abu Samer. Wise.
**L1.2 Commentary:**

**Samer Abed Al Rahim** addressed Ghanem Naim Ghoneim as “Dear Professor” and expressed agreement with Ghoneim that Hitler is “The best in the world” and “more honorable than leaders of the Arabs today.” Rahim **lists himself** as a former student of UNRWA’s Siblin Training Center.
Post L1.3:

Ceasefire. Only under the resistance’s (Hamas) conditions.

Hit hit Tel Aviv, best news I got in my life. Hit hit Tel Aviv hahahahaha.

Screw the Jews hahaha
Omar Asaad, who identifies himself on his Facebook profile as an UNRWA employee (see above), features on his public Facebook page a picture of Hitler, with this caption: “I could have killed all the world’s Jews, but I left some so that the world would know why I killed them.”

This post prompted an UNRWA community discussion on Facebook about Hitler and his Nazi genocide against the Jews, with UNRWA school principal Ahmad Nasser commenting that God “should not have left any of them.”

The hateful, racist discussion among multiple UNRWA employees—including a senior UNRWA education official—is evidence of a system-wide UNRWA culture of tolerating antisemitism, and the lack of any meaningful disciplinary action by UNRWA.

Mr. Assad’s antisemitic posts, and those added by his UNRWA colleagues, grossly violate UNRWA employees’ duty to reject racism in all its forms.

Khader Awad, who identifies himself on his Facebook profile as an UNRWA teacher (see above), features on his public Facebook page an image of a Jew with three guns and a knife trained on his head; the Hebrew caption reads “Blood = Blood. #KillThem.” In Arabic, it says “Kill the settlers.”

A second photo, which Mr. Awad made as his cover photo, shows a Hamas terrorist in front of a scene of destruction in Israel, with the words in Hebrew and Arabic “We are waiting.”

These posts supporting the murder of Jews and Hamas terrorism grossly violate the duty of neutrality applicable to all UNRWA employees.

His public Facebook page shows a poster glorifying the faces of two terrorists, Rassan Abu Jamal and Udei Abu Jamal, who killed four Israeli Jews in a Jerusalem synagogue on November 18, 2014.

These posts supporting the murder of Israelis grossly violate the duty of neutrality applicable to all UNRWA employees.

Mohammad Alsayyed, who identifies himself on his Facebook profile as an Assistant Head Teacher at UNRWA (see above), features numerous violent posts on his public Facebook page, all in gross breach of UNRWA’s duty of neutrality.

- Post L5.1 shows Hadar Goldin, an IDF officer captured and killed by Hamas.
- In post L5.2, this senior UNRWA teacher praises the “awesome kidnapping” of three Israeli teenagers famously killed in a Hamas terrorist operation which precipitated the 2014 Gaza war, and shows Gilad Shalit, the IDF soldier kidnapped from Israel in 2006 and held incommunicado in Gaza for five years.
- Post L5.3 shows the UNRWA teacher presenting an award to a student— including a banner that erases Israel from the map.

Maha Hamid, who identifies herself on her Facebook profile as an UNRWA teacher (see above), features a video in her public Facebook page (see Post L6.1) from the Shehab News Agency of Hamas.

The video commemorates Hamas terrorists as “martyrs,” and celebrates the tunnels used by Hamas to carry out attacks. It includes footage of one such attack, which killed several Israeli soldiers. Below are several screenshots of the video, as well as evidence of Maha Hamid posting the video to her wall (see first image below).

All of these posts by UNRWA teacher Maha Hamid violate the duty of neutrality applicable to all UNRWA employees, and negate the right to life protected in the International Covenant on Civil and Political Rights.

Lotfi Ghuneim, who identifies himself on his Facebook profile as an UNRWA employee (see above), features on his public Facebook page numerous images that support terrorism.

The first post (L7.1) depicts the Palestinian perpetrator of a car-ramming terrorist attack—which caused one death and 15 injuries—and exalts the terrorist, Ibrahim el-Akkari, as a “hero.”

The second and third images show the body of a murdered rabbi, one of the victims of the November 18 attack on a synagogue in Jerusalem.

All three of these posts by Mr. Ghuneim constitute a gross violation of the duty of neutrality applicable to UNRWA employees, and negate the right to life protected in the International Covenant on Civil and Political Rights.

The video is an interview of Wassim al-Sissy, an Egyptian urologist. Al-Sissy asserts that America has become “putty in the hands of Global Zionism.” In the video, the speaker approves of the notion that “the Jews in our country have gained control of our stomachs, our minds and our urges. All that is left is to change the name New York to Jew York.” He then falsely purports to quote Benjamin Franklin as saying, “The undoing of America will be at the hands of the Jews.”

Not surprisingly, Mohammad’s Facebook is full of Hamas praise:

Post S1.1: Antisemitic, neo-Nazi video:  

When you ask what the Nazis did to the Jews.. you must first ask what the Jews did to Germany.

They destroyed the German economy for the benefit of the “Allies/West” and millions lost their money in bank transactions because of Jewish usury.

They also took control over the media...
It’s very simple. You see, everybody says the harm that the Germans have done to the Jews. It’s grossly exaggerated, it’s true the Nazis – the nationalist socialist party – had some dirty racist points in its otherwise very beautiful program, which was very successful all in all.

But it was – they had some nasty points against the Jews, this is true. And they were, in the third Reich and in Europe during the Second World War, between 100,000 and 600,000 Jews have been killed directly or indirectly because of the national socialist system. This number is ridiculous in comparison to what the French did in Algeria, the Jews have done in Palestine, and especially the British, Americans and the Russians have done to their people. They have killed millions.

Now what did the Jews do? When you ask what the Germans have done to the Jews you must always ask what have the Jews done to the Germans. Since 1850 when the Jews got all the political rights in Germany in the German Reich they have done 3 things, which are really dramatic.

Number one: They were a small minority of 2% of the population – at the time when Hitler came to power 500,000 within 60 million German people. 500,000 within 60 million. They were a small minority. This small minority managed to control about 50% of the media, gave [sic] about 70% of all judges, to have a tremendous influence on movie and theater, and in literature. They were overrepresented. This is one thing, they were absolutely overrepresented, as today in England, France and in United States.

Secondly, Jews were at the origin of a lot of catastrophic financial bank crashes in Germany between 1870 and 1920. In that time, they made a lot of crashes which have – this is all documented, it’s not Nazi propaganda or antisemitic or Arab propaganda, it’s a lot of books have been published even by Jewish Germans about this problem – they have millions of German fathers have lost their incomes, their fortune, their savings because of these Jewish gangsters, bank gangsters, and speculation people.

Then the third point – which was psychologically the most dangerous of all – they have introduced into German art and culture and theater and movie decadence immorality. The first homosexual theatre plays were made in Berlin in the 1920s, the first adultery theater plays were made in the 1880s, 1890s (100 years ago) by Jewish authors. Adultery, then sexual perversions of all sorts: sadism, masochism, lot of homosexuality, all these things. And then decadent art, and art which is absolutely ridiculous – so-called modern art – it was all pushed by Jewish intellectuals.

And this created among the German people a big revolt. And also they wrote books ridiculing Christianity, ridiculing Jesus. I mean it was something like Salman Rushdie with the Muslims. And there were furious reactions in Germany and the Nazis of course benefited from it. And this is why Adolf Hitler came to power. And you see then Hitler, in 2 years from ‘33 to ’35 – 6 million Germans were unemployed and within two years he brought 6 million unemployed Germans back into their jobs. He created 6 million jobs, it’s incredible, in 2 years and this is the reason why the ‘6 million’ thing came.

You see, after the Second World War, the Zionists said we must give a counter-propaganda to this positive 6 million who have found six million jobs – positive – we must make something negative, 6 million corpses. And so came this fantastic number of 6 million, which is in every newspaper in everything.
