

Report of the Consultative Group to the President of the Human Rights Council relating to the vacancies of special procedures mandate holders to be appointed at the thirty-third session of the Human Rights Council

12 August 2016

I. Background

1. In paragraph 47 of the annex to resolution 5/1, the Human Rights Council decided to establish a Consultative Group comprised of Permanent Representatives identified by Regional Groups and serving in their personal capacity. The Consultative Group is mandated by the Council to propose to the President a list of candidates who possess the highest qualifications for the mandates in question and meet the general criteria and particular requirements. Recommendations to the President of the Human Rights Council are required to be made public and substantiated pursuant to paragraph 50 of the annex to resolution 5/1.

2. The members of the Consultative Group for the selection of mandate holders to be appointed at the thirty-third session of the Human Rights Council are: H.E. Ms. Filloreta KODRA (Albania), H.E. Ms. Regina Maria Cordeiro DUNLOP (Brazil), H.E. Mr. Amr RAMADAN (Egypt), H.E. Ms. Elisabeth LAURIN (France) and H.E. Mr. Thani THONGPHAKDI (Thailand). The working cycle of the Consultative Group commenced on 1 January 2016 and will end on 31 March 2017, pursuant to paragraph 1(b) of Council decision 30/115. Thereafter, the working cycle of future Consultative Groups will have a duration of one year beginning on 1 April 2017. The members of the Group recalled the working methods as elaborated in their first report of 19 February 2016 (Report of the Consultative Group to the President of the Human Rights Council relating to the vacancies of special procedures mandate holders to be appointed at the thirty-first session of the Human Rights Council, PART I).

3. The vacancies to be filled at the Council's thirty-third session are as follows (listed in the order in which they arose):

1. **Special Rapporteur on the human rights of internally displaced persons** [Human Rights Council resolutions 23/8 and 32/11];
2. **Special Rapporteur on torture and other cruel, inhuman or degrading treatment or punishment** [Human Rights Council resolution 25/13];
3. **Working Group on Arbitrary Detention, member from Eastern European States** [Human Rights Council resolution 24/7];
and
4. **Independent Expert on protection against violence and discrimination based on sexual orientation and gender identity** [Human Rights Council resolution 32/2];
5. **Special Rapporteur on the situation of human rights in the Islamic Republic of Iran** [Human Rights Council resolution 31/19].

4. The fourth and fifth vacancies listed above were not foreseen and arose due to the decisions made by the Human Rights Council at its thirty-second session. The mandate of the Independent Expert on protection against violence and discrimination based on sexual orientation and gender identity was created pursuant to the adoption of Human Rights Council resolution 32/2 on 30 June

2016. The mandate of the Special Rapporteur on the situation of human rights in the Islamic Republic of Iran became vacant because, the Council at its 32nd session on 1 July 2016, appointed Mr. Ahmed Shaheed, who is the current Special Rapporteur on the situation of human rights in the Islamic of Iran (appointed in June 2011) to the mandate of Special Rapporteur on freedom of religion or belief subject to his resignation as the Special Rapporteur on the situation of human rights in the Islamic of Iran. The Council took specific measures to avoid a protection gap and ensure the smooth transition among mandate holders, whilst this should not serve as a precedent. As a result, Mr. Shaheed remains in his current function as the Special Rapporteur on the situation of human rights in the Islamic Republic of Iran until the appointment and entry into functions of his successor at the thirty-third session of the Human Rights Council. Also, on an exceptional basis, while Mr. Heiner Bielefeldt has reached the end of his six-year tenure, he remains in his functions as the Special Rapporteur on freedom of religion or belief until the entry into functions of Mr. Shaheed.

II. Process

5. The Consultative Group held six formal meetings on 28 and 29 July, and 10 and 12 August 2016 to consider candidates for the aforementioned five vacancies.

6. Following its earlier decision to equally share the chairing function amongst the five members on a rotational basis, H.E. Ms. Elisabeth LAURIN (France) chaired the meetings held by the Consultative Group in relation to the mandates of the Special Rapporteur on the human rights of internally displaced persons, the Special Rapporteur on torture and other cruel, inhuman or degrading treatment or punishment and the Working Group on Arbitrary Detention (member from Eastern European States). H.E. Mr. Thani THONGPHAKDI (Thailand) chaired the meetings held by the Consultative Group in relation to the mandates of the Independent Expert on protection against violence and discrimination based on sexual orientation and gender identity and the Special Rapporteur on the situation of human rights in the Islamic Republic of Iran. H.E. Mr. Amr RAMADAN (Egypt) declared that he would not participate in the selection process for the fourth mandate (Independent Expert on protection against violence and discrimination based on sexual orientation and gender identity) as indicated in a letter he addressed to the President of the Council on 29 July 2016 which was published on the Human Rights Council Extranet on 10 August 2016 for transparency purposes.

7. The application period for the submission of applications for the first three mandates (the Special Rapporteur on the human rights of internally displaced persons, the Special Rapporteur on torture and other cruel, inhuman or degrading treatment or punishment and the Working Group on Arbitrary Detention) was from 2 June to 8 July, extended to 18 July 2016 due to the initially limited number of applications received. The application period for the submission of applications for the fourth and fifth mandates (the Independent Expert on protection against violence and discrimination based on sexual orientation and gender identity and the Special Rapporteur on the situation of human rights in the Islamic Republic of Iran) was from 8 July to 4 August 2016.

8. The Consultative Group considered a large number of applications, amounting to 63 individual applications, for the five aforementioned specific vacancies in accordance with the relevant paragraphs of Human Rights Council resolution 16/21. The applications were made public

11. In accordance with established practice, it was decided that each member of the Consultative Group would individually rank and propose a list of candidates for each vacancy drawing on the written applications received, reflecting on their stated qualifications, relevant experience, expertise, independence, impartiality, personal integrity, objectivity, availability and motivation in compliance with relevant provisions of Human Rights Council resolution 5/1, decision 6/102, resolution 16/21 and relevant Council resolutions establishing the specific mandates under consideration. As a result of this ranking exercise, a shortlist of candidates to be interviewed was established for these mandates.

12. The Group interviewed a total of 25 shortlisted candidates for the five aforementioned vacancies (see annex II of this report). These interviews occurred on 28 and 29 July 2016 and 10 August 2016, pursuant to paragraph 22 (c) of the annex to Human Rights Council resolution 16/21. Each candidate was asked similar questions based on the relevant provisions of Council resolution 5/1, decision 6/102, resolution 16/21 and relevant Council resolutions establishing the specific mandates under consideration.
